Summer Program Schedule and Fees Summer 2011

Science & Nature

May 31-June 3, June 6-10

Join us for cool experiments for hot summer days. We will explore forces and phenomena that are all around us all the time. We will sharpen our observation skills, ask why, set up experiments to test our ideas, and see what we find! Our woody setting affords ample opportunity to explore the wonders of nature. We will have fun learning about the ecology of our everyday world as we garden, notice climate and weather, and check out the tiny creatures all around us.

Artistic Impressions

June 13-17, June 20-24

Art is a great way for all of us to see the world in our own way and express ourselves! This session will provide plenty of opportunity to look at art, talk about art, learn about artists and materials, and of course, make plenty of art! From painting to sculpture, let's get those creative juices flowing!

Move to the Music!

June 27-July 1, July 5-8

Clean out your ears and open your eyes, listen to the music and come alive! We will sing and dance together, exploring the world of music through song and expressive movement. Get ready for some very special guests as we explore as many genres of music as we can fit into two weeks, and we'll get our groove on while doing it!

Around the World

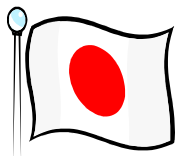

July 11-15, July 18-22

Consider UMS your new travel agent! Join us for the adventure of "traveling" around the world in two weeks. Each day we will visit a different country, exploring foods, music and songs, art, language, and traditions. We'll learn how other children all over the world are spending their summers and what makes their corner of the world unique.

Discover Japan!

July 25-29, August 1-5

For several years now the Japanese School of Charlottesville has provided us a teacher or two for this very special theme. We explore the culture of Japan through language, songs, folk tales, food, crafts, calligraphy, and more.

Please register for the days you wish your child to attend in any or all of our two-week sessions. **You may delete days or fully withdraw from a session without financial obligation by revising your Individual Theme Registration Form for that session on or before the Wednesday before that session begins.** As of Thursday morning before the session begins, you are obligated to pay for the registered days for that session. Payment is due for the entire session on or before the first day your child attends that session. Prepayment for multiple sessions is discouraged as fees are not refundable.

All sessions begin at 8:30 a.m. Pick-up times for noon, 1 pm, and 3 pm begin 15 minutes before the hour. Children registered for a full day must be picked up before 5:30. Prompt arrival and pick-up ensure that our summer program runs smoothly. **The Summer Program ends at NOON on Friday, August 5th.**

A non-refundable registration fee of \$25 is due with the Application and Registration Overview, and covers the entire summer. A registration fee is required for each child applying to the Summer Program. Please note, the application is only for children new to UMS, as children currently enrolled at UMS have this information on file already.
